Good morning Sir,

Please see the attachments for (b)(6) and GySgt Hays PEB Findings. They were both found not physical fit for further service by the PEB. Additionally, I am told by HSS that we can use the original BUMED and G-1 discharge notice and code in order to start the process of separation. If you have any further questions please do not hesitate to contact me. Thank you for your time and have an outstanding Navy and Marine Corps day.
